## PROFILE

---

I am growing with experience in photography, videography, graphic design, website design, and social media. I am passionate, hardworking, creative, and always willing to learn new skills. I enjoy creating professional designs, websites, presentations, and visual content for personal projects and small businesses. I am highly computer literate and confident using Microsoft Word, Microsoft Excel, Microsoft PowerPoint, and Canva. I am organized, reliable, a fast learner, and committed to producing quality, detailed and accurate work.
